MARKAL®

PLUS SERIES

Colors formulated to meet OSHA and ANSI safety color specs.

PAINT-RITER®+
SAFETY COLORS

New liquid paint markers specially formulated to make durable marks that meet OSHA and ANSI color standards for safety identification when dried.

3mm

Use Markal® Plus Series Safety Colors markers to easily touch-up safety colored equipment and signage. Identify physical and chemical hazards in various parts of manufacturing, construction sites and anywhere hazards are present. The durable liquid paint formula blends seamlessly with OSHA and ANSI colors, keeping equipment compliant.

- Steel
- Plastic
- Safety Signage
- First Aid Equipment
