Lubri-Joint®

Gasket Lubrication

LUBRI-JOINT® is ideal for lubricating rubber gaskets found in mechanical pipe couplings. Used on fire sprinkler systems, potable water pipelines, concrete piping, water works and numerous industrial piping applications.

LUBRI-JOINT® promotes proper gasket expansion during pipe insertion to ensure a correct fit of the coupling.

NSF FBC SYSTEM COMPATIBLE

FBC™ System Compatible indicates that this product has been tested, and is monitored on an ongoing bases, to assure its chemical compatibilitiy with FlowGuard Gold®, BlazeMaster® and Crozan® pipe and fittings. FBC™, FlowGuard Gold®, BlazeMaster® and Corzan® are licensed trademarks of The Lubrizol Corporation.
