GREENLEE. A Textron Company MADE FOR THE TRADE!™

TAPE,MEASURING-1800# (POLYARAMID)

Conduit Measuring Tape 3/8 × 3000' (9.5 mm × 914 m)

Cat No: 39244

UPC No: 783310392446

Description

- Pull small cables or install pull rope for large cable pulling jobs
- Made of Polyaramid (equivalent to Kevlar*), will not rotor deteriorate
- Can be left in ducts indefinitely for future use
- Low stretch properties make measurements accurate
- Printed measurements every foot from zero to 3000' (914 m)

Specifications

- Application : For Conduit Measurement
- Length : 3000.000 FT (914.000 M)
- Material : High Strength Polyamide
- Tensile Strength : 1800.000 LB (8.010 KN) Average Breaking Strength
- Weight : 14.500 LB (6.600 KG)
- Width : 3/8 IN (9.500 MM)
