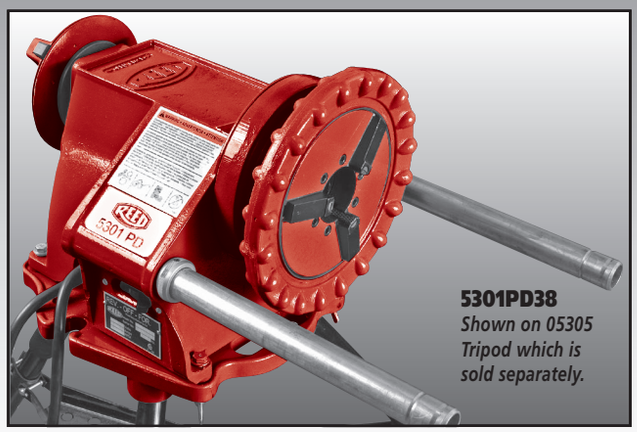
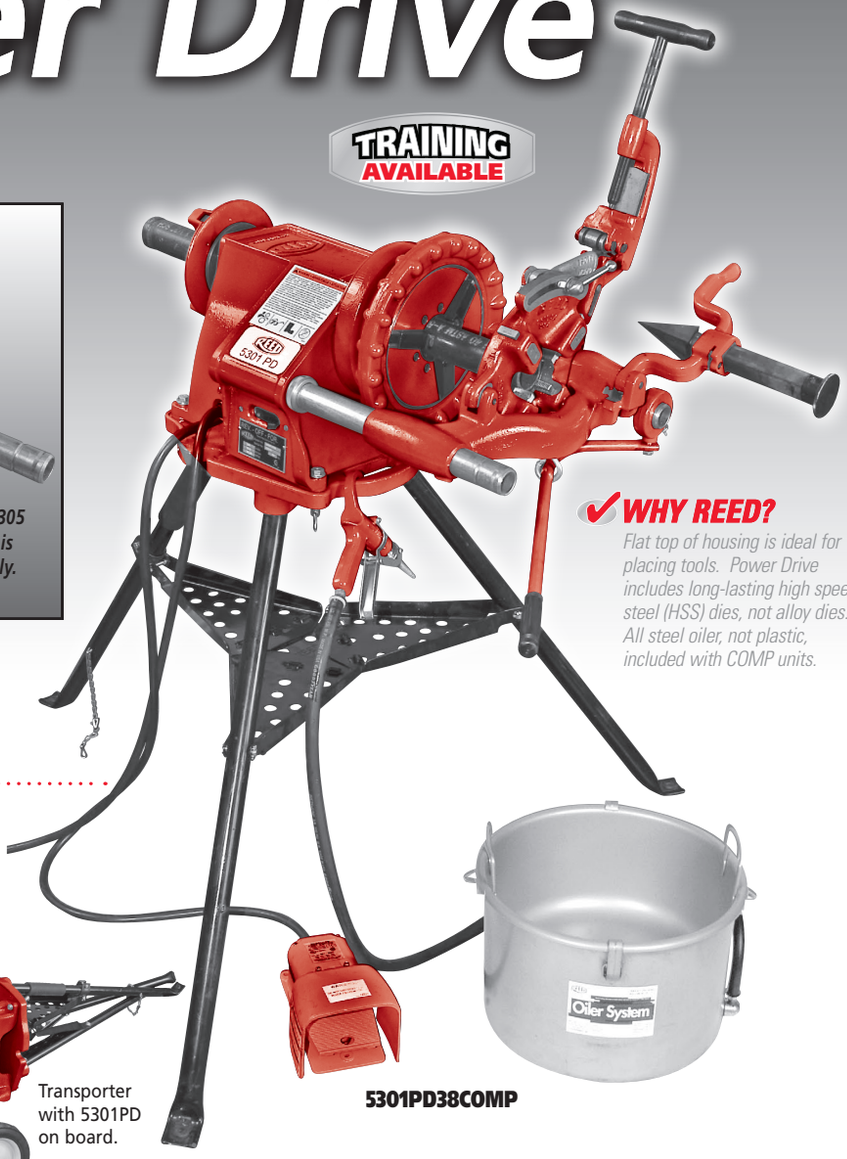
5301PD Power Drive

PIPE TOOLS & VISES
SINCE 1896

TRAINING AVAILABLE



5301PD38
Shown on 05305 Tripod which is sold separately.

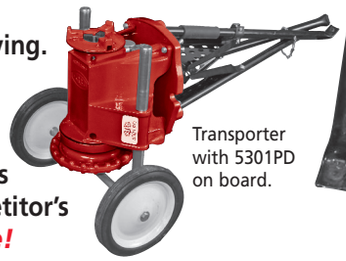


5301PD38COMP

✓WHY REED?
Flat top of housing is ideal for placing tools. Power Drive includes long-lasting high speed steel (HSS) dies, not alloy dies. All steel oiler, not plastic, included with COMP units.

5301PD *Power Drive*

- **Works for up to 2" pipe and conduit.**
- **Rotates the pipe for cutting, threading and reaming operations.**
- **Choose 38 RPM or 57 RPM.**
- **Compatible for power roll grooving.**
- **Approved to the latest US and CSA Canadian standards!**
- **Majority of parts and accessories are interchangeable with competitor's power drives – *see reverse side!***



Transporter with 5301PD on board.
