K-39 & K-39AF Drain Guns

New Advanced Feed puts total cable control in the palm of your hand

The new K-39 family of drain guns are the professional's choice for cleaning small secondary drain lines from 3/4" to 2 1/2". Available in manual and new Advanced Feed versions, each provide you with:

- **Variable Speed Operation** – Fully variable from 0-450 RPM to give you complete control in every situation.
- **Light Weight** – Up to 25% lighter than other drain guns in its class. More compact to allow better access in cramped and hard to reach areas.
- **Leak Proof** – Inner drum prevents leakage to keep job site clean.
- **Other Features**
  - Quick acting slide chuck to lock cable.
  - Inner drum design virtually eliminates cable flip-over and allows for quick cable change out.
  - Premium quality, compression wound inner core cable combines strength and flexibility to resist kinking.

K-39AF (w/2-Way AutoFeed)

NEW!

Patents Pending

K-39 (Manual)

RIDGID FULL LIFETIME WARRANTY Against Material Defects & Workmanship

K-39AF – w/NEW Advanced Feed

The new Advanced 2-Way Autofeed lets you clean drains better and faster than ever before – keeps hands off cable and gives you total control to completely work through blockages and retrieve obstructions.

- **Reduce Job Time by 15%** – Advance and retrieve cable without stopping to reverse the motor.
- **Better Results** – Quickly work back and forth through the blockage to completely clear the line.

Cleans Drains Faster and Better:
K-39AF advances and retrieves cable without changing motor direction.
