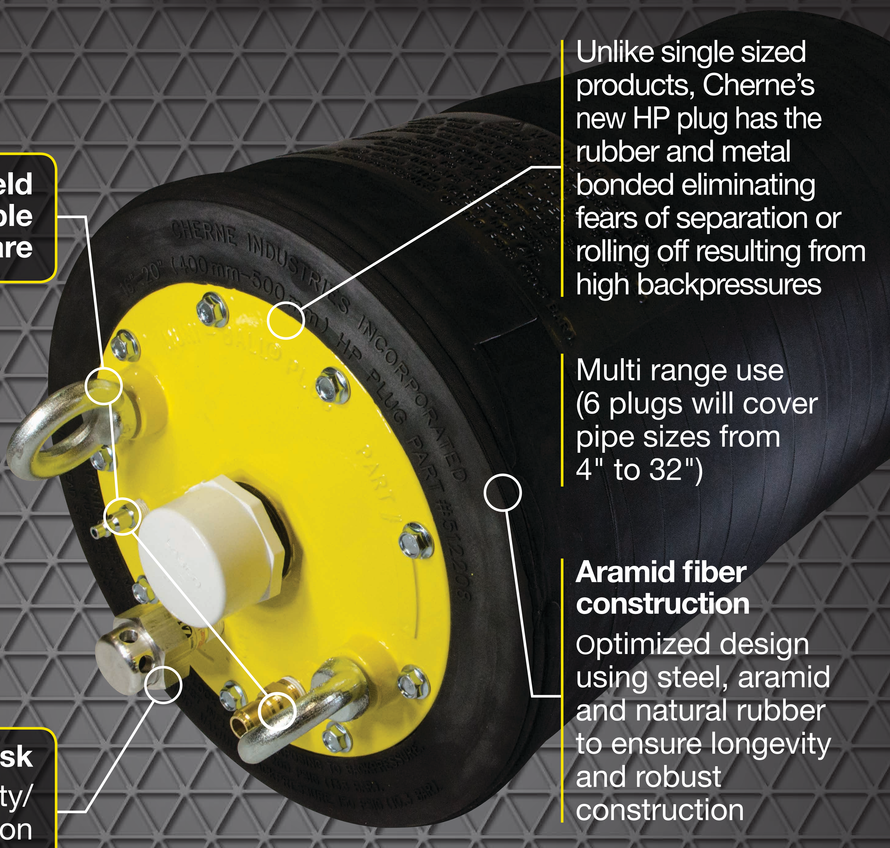
NEW FROM CHERNE!

NOW, ONE SIZE DOES FIT ALL!

WITH THE NEW MULTI-SIZE HIGH PRESSURE PLUGS FROM CHERNE

Field Reparable Hardware



Rupture Disk
Safety/ Over-inflation device

Unlike single sized products, Cherne's new HP plug has the rubber and metal bonded eliminating fears of separation or rolling off resulting from high backpressures

Multi range use (6 plugs will cover pipe sizes from 4" to 32")

Aramid fiber construction
Optimized design using steel, aramid and natural rubber to ensure longevity and robust construction

Made in USA
