

Plastic Mounting Half Bracket *Designed for Leviton Structured Media™ Centers* *For use in MDU and custom applications.*

APPLICATIONS

Leviton's Mounting Half-Bracket is a half-width plastic bracket that accepts up to three Leviton phone, data, security or DSL Filter Expansion Boards to accommodate an installer's need for custom mounting solutions within Leviton's Series 140, 280 and 420 Structured Media™ Centers.

FEATURES

- Snap-in installation in any Leviton Series 140, 280, or 420 Structured Media Center
- Allow for cable management via routing under bracket (3/4")
- Accepts up to three Leviton Single-Width Expansion Boards
- Removable spines allow for all TLDM board mounting

PHYSICAL SPECIFICATIONS

Materials: ABS Plastic
Dimensions: 6.55"H X 6.55"W X 1.5" D

WARRANTY

Two-Year Product Warranty

TYPICAL SPECIFICATION

The half-bracket shall be able to mount up to three Leviton single-width boards. It shall be made of ABS plastic and is intended for use in 140, 280 and 420 Series Structured Media™ Centers. Manufacturer shall provide a two-year product warranty.
