

## 110 Style Crossconnect Products Wall Mount Vertical Cord Managers

### APPLICATION

Manages vertical cords used with all wall mounting-frame style 110 products.

### STANDARDS COMPLIANCE

Meets all applicable standards. Made in the USA.

### PHYSICAL SPECIFICATIONS

Material: Made of 16 gauge steel  
Dimensions: Basic: 21.5"H x 8.5"W x 9.25"D  
Extension: 16.79"H x 8.5"W x 9"D

### DESIGN CONSIDERATIONS

- Use with wall mounting-frame style units and kits.
- Vertical cord managers are stackable up to 3 units high to support cord management for up to 900 pair densities. Specify Vertical Cord Manager for Basic kits and units (Part No. 41880-300), which supports the first 300 pairs. Specify Vertical Cord Manager for Extension kits and units (Part No. 41880-EXT), to support each additional 300 pair requirement.

### INSTALLATION NOTES

- Mount securely to wood-based backboard.
- Position vertical cord managers adjacent to wall mounting-frame style units and kits.

### WARRANTY INFORMATION

- One-year limited product warranty and 15-year performance guarantee are standard.
- Product and performance warranties are extended to a Lifetime as part of Leviton's Certified Cabling System.

For ELECTRONIC Typical Specs see (.TXT) file on disk.

### TYPICAL SPECIFICATION

The vertical 110 cord managers shall mount to a wall or backboard, providing the capability to organize and contain patch cords between 300-pair wall mounting-frame style units and kits. The cord managers shall comply with TIA/EIA-568-A and -606 requirements, and be made in the USA of 16 gauge steel. The manufacturer shall provide a one-year limited product warranty and 15 year product performance guarantee. The manufacturer shall provide a lifetime warranty against defects in material and workmanship and an application guarantee when installed as part of a certified system.
