

Connector Adapter Bezel – CommScope

APPLICATION

Adapter bezels are used for installing Leviton QuickPort® connectors in CommScope SYSTIMAX® or Uniprise® wallplates and surface-mount boxes.

SPECIFICATION

The adapter shall be packaged individually and sold separately from connectors. Adaptor shall be manufactured from ABS plastic. Adapter shall be available in black and white colors.

FEATURES

- Modular snap-in adapter bezel for CommScope wallplates and housings
- Compatible with all QuickPort connectors
- Available in black or white
- Bezels packaged individually and sold separately from connectors.

DESIGN CONSIDERATIONS

- Bezel color is visible after installation
- Install bezel to connector before placing into wallplate or housing
