1581A

Duct Board Tape

UL181A-P Listed

Description

A high temperature, high tensile strength aluminum foil coated with an extremely aggressive all weather solvent acrylic pressure sensitive adhesive. Venture Tape 1581A excels in demanding temperature and humidity applications and provides superior performance over a wide range of environmental conditions.

The ONLY cold weather tape for duct board.

Applications:

High performance duct closure tape is specifically designed for use as a vapor seal on reinforced fiberglass duct board.

Technical Data

	Imperial	Metric
Thickness	4.0 mils	180.3 μ
Peel Adhesion	100 oz/in	27.7 N/25mm
Shear Strength	>168 Hours	>168 Hours
Tensile Strength	32 lb/in width	142 N/25mm width
Elongation	4%	4%
Temperature Range:	10° F to 350° F	-12° C to 177° C
Mold Growth	0	0
Roll Size	2 1/2, 3 inches x 60 yds	6.3, 7.6 cm x 55m

Important Information:

The information cited is in good faith and has been established from sources held to be secure and reliable. The values listed are typical properties. Users must determine the product suitability for the end use application and assume all risks and liabilities.
