Cleaning Compounds

specifications

plumbers grit roll

DESCRIPTION

Superior quality abrasive cloth for cleaning metal or plastic pipe and fittings, and most types of hard surfaces. Extra heavy cloth backing resists tearing, making it ideal for tough deburring, cleaning or roughing of tubing, fittings, and parts. Aluminum oxide abrasive resists clogging when used on copper, brass, other non-ferrous and ferrous metals and all types of plastic. Medium 120 grit provides fast cleaning and extended performance. Waterproof, use in wet or dry conditions. Handy dispenser box keeps abrasive clean and compact in storage.

SIZES AND PACKING

| STOCK NO. | SIZE | PACKING | WEIGHT/CASE |
|-----------|---------------|---------|-------------|
| 45025 | 1½" x 10 yds. | 24 | 13.0 lbs. |
