

PRODUCT BULLETIN

CHINA MARKERS

LA-CO CHINA MARKERS mark on just about anything! They're available in six highly visible colors that are ideal for marking on glass, plastic, metal, wood and china. Because *LA-CO* CHINA MARKERS are moisture resistant and mark on porous as well as non-porous surfaces you can get the job done, no matter what surface you're marking on!

- For writing on glass, plastic, metal, wood and china
- High visibility colors
- Moisture resistant
- Non-toxic pigments
- Smooth writing
- Marks on porous and non-porous surfaces
