

Quad Drain™

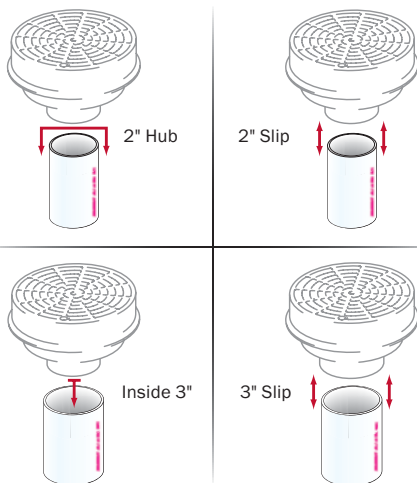

General Purpose Floor Drain

NEW
DESIGN

grey & white PVC
models shown

Available Connection Types

• IMPROVED DESIGN

New strainer design has over twice the flow capacity of the previous model, with NO reduction to load limit

Strainer options include round and square nickel-bronze and stainless steel, or heavy-duty ductile iron

Full-Slip connections allow easy adjust-to-grade installations

• CONVENIENT

Polypro strainer locks in with a single screw for easy removal and replacement

Standard hub, or full-slip connections available to fit 2" and 3" Sch. 40 pipe
