

# Test Titan<sup>TM</sup>

**NEW**  
DESIGN

**Mechanical, Cleanout & Pneumatic Test Plug**

## • EASE OF INSTALLATION

Larger diameter stem and redesigned disc allow for better compression and seal

Ergonomically designed nut

Non-slip shoulder

## • DURABLE

100% non-corrosive

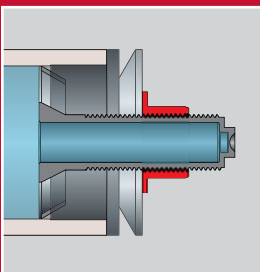

ABS stem and disc provides strength and durability

Chemical resistant PVC gasket for a firm seal, added flexibility and sealing in cleanout threads

## • VERSATILE

Can be used for both pipe end and cleanout applications - size specific

Hollow  $\frac{3}{4}$ " male hose thread stem allows the system to be filled with water

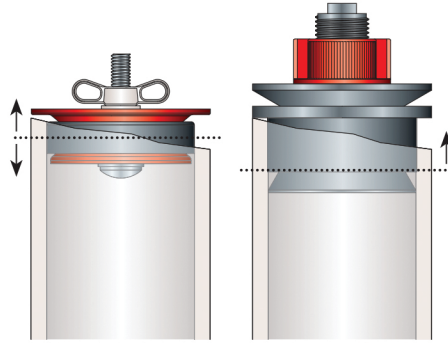

Supply • Drainage • Support • Testing • Specialties • Tools • Access

**Sioux Chief**  
MANUFACTURING SINCE 1957

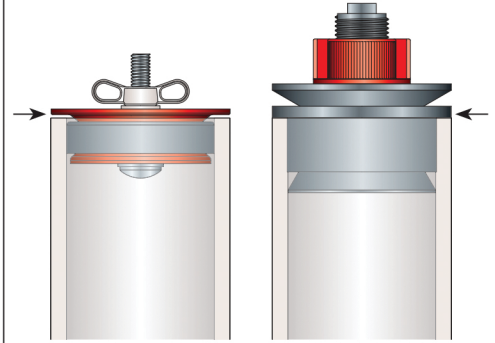

## Problem vs. Solution

The Test Titan is made from four, non-corrosive components vs. generic plugs with seven components that may leak and corrode.

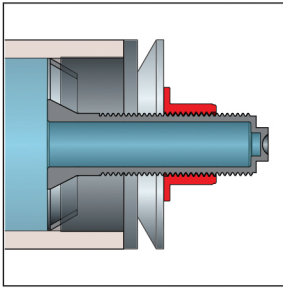

Test Titan seals from back of gasket to front vs. generic plugs that seal from middle out. The larger gasket allows for sealing uneven cuts.

Test Titan's shoulder provides a better seal on the top of a pipe vs. a generic plug's steel plate.

## Mechanical/Cleanout Test Plug

Hollow stem allows the system to be filled with water and provides a controlled drain down with a standard garden hose.

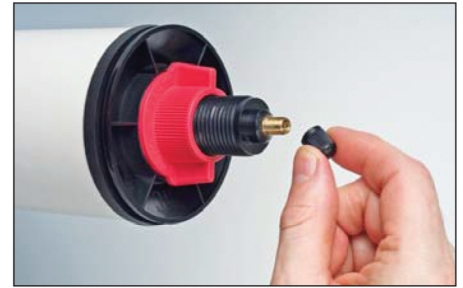

Use a 9/16" drill bit to open stem for use. A depression is furnished in the end of the stem to accommodate a drill bit.

Stem thread is 3/4" male hose thread to allow for a garden hose connection.

## Pneumatic Test Plug

The Pneumatic Test Titan, with its integral brass air valve, allows for an easy air test method for colder climates.

Item No.	Description	Pkg	Min. Qty	Case Qty
<b>COMBO - PIPE/CLEANOUT TEST PLUG</b>				
882-1	1½" test plug - combo - fits both pipe and FIP threads	C*	10	10
882-2	2" test plug - combo - fits both pipe and FIP threads	C*	10	10
882-3	3" test plug - combo - fits both pipe and FIP threads	C*	10	10
<b>PIPE ONLY TEST PLUG</b>				
882-4	4" test plug - pipe only	C*	10	10
<b>CLEANOUT ONLY TEST PLUG</b>				
882-35	3½" test plug - cleanout only	C*	10	10
882-41	4" test plug - cleanout only	C*	10	10
<b>PNEUMATIC TEST PLUG</b>				
882-1P	1½" pneumatic test plug with air valve	B	10	10
882-2P	2" pneumatic test plug with air valve	B	10	10
882-3P	3" pneumatic test plug with air valve	B	10	10
882-4P	4" pneumatic test plug with air valve	B	10	10
