

HANDS-FREE ROLL TOWEL DISPENSER

REN06160-WB
(131327)

REN06161-WB
(131328)

Features:

- Reversible cover for flexible installation
- Controls usage with a pre-measured towel per dispense
- High capacity reduces maintenance time and costs
- Modular design allows for part replacement without removing dispenser from the wall

Description:

The Renown Hands-Free dispenser features a reversible hinged cover for flexibility and a modular design for easy maintenance. The dispenser requires you to only touch your personal towel, thereby reducing the chance for cross-contamination from touching commonly used surfaces such as levers or buttons which makes it ideal for food preparation and healthcare environments. This high-capacity dispenser cuts a pre-measured 11-inch towel for maximum usage control. ADA compliant when installed according to the Guidelines for Accessible Design. Available in two models to accommodate either 8-inch or 7.5-inch width Renown controlled roll towels.
