AVIATION SNIPS

WISS EDGE AVIATION SNIPS A NEW STANDARD IN CUTTING

For decades, Wiss has been the professional's go-to snip. Now, the new Wiss Edge series, available in Straight, Left and Right-cut models, redefines performance with a total system design for increased durability, consistent control and exceptional comfort.

COMFORT AND EASE

Redesigned handle contour and compound-leverage mechanism make cutting easier and reduce hand fatigue

PRECISION

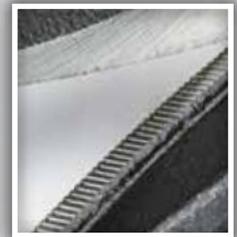

Integrated stops make sure the blades open all the way, every time, for maximum length of cut

CONTROL

Redesigned latch for easy locking

ULTRA-TOUGH

Industry-leading pivot design leads to longer overall snip life

SMOOTH CUTS

Unique 'Wiss Wave' serrations spread cutting force across the blade, improving cut quality and tool life

Wiss Edge Aviation Snips		M1X, M2X, M3X
