

FEATURES & SPECIFICATIONS

INTENDED USE — Ideal for applications requiring attractive edge-lit exit signage. Meets city of Chicago requirements.

CONSTRUCTION — Extruded brushed aluminum or white housing/trim.

Letters are 6" high with 100 ft viewing distance rating based upon UL924 standard (meets UL924 requirements however models with the city of Chicago required full stroke arrow cannot bear any UL mark). Full 3/4" stroke arrow. City of Chicago approved.

OPTICS — White LED technology provides uniform illumination to meet city of Chicago requirements.

The typical life of the exit LED lamp is 10 years.

Low energy consumption; fewer than five watts.

ELECTRICAL — Dual voltage input capacity (120/277).

Battery (for EL option only): Sealed maintenance-free nickel-cadmium battery delivers 90 minutes capacity to lamp. Charger maximizes battery life and automatically recharges after battery discharge.

INSTALLATION — EDGC - Universal (top, end or back) surface mounting. Canopy provided.

EDGRC - Recessed mounting. Bar hanger and brackets provided for both new or restricted ceiling access installation applications. Back wall mount (WM) option.

No acrylic panel, housing only option available.

LISTINGS — UL damp location listed 32°F to 122°F (0°C to 50°C) standard. Meets UL 924 (meets the UL924 requirements however models with the Chicago required full stroke arrow cannot bear any UL mark), NFPA 101 (current Life Safety Code), NEC and OSHA illumination standards. City of Chicago approved. EDGRC models are city of Chicago plenum approved.

WARRANTY — 5-year limited warranty. Complete warranty terms located at:

www.acuitybrands.com/CustomerResources/Terms_and_conditions.aspx

Note: Actual performance may differ as a result of end-user environment and application.

All values are design or typical values, measured under laboratory conditions at 25 °C.

Specifications subject to change without notice.
