

# COILED HOSE

## FLEXCOIL® Assemblies with Quick Disconnects

We have combined our **FLEXCOIL** Polyurethane Self-Storing Air Hose with the popular Industrial Interchange Quick Disconnect to form an Industry Exclusive hose assembly! Our Exclusive Design Quick Disconnects are available with ends that attach directly to **FLEXCOIL**, minimizing possible connection leak points in addition to making the assembly lightweight and easier to use. Now, perfectly matched to make a single product, their individual features are further enhanced to make a "ready-to-use" hose assembly. Available in Blue.
