NEW PRODUCTS GUIDE - E6A1

New Product Guide from Hammond

About This Guide

This brochure presents the significant list of new products Hammond has introduced since we issued our full line "E6 Electrical Product Guide".

You will see new industrial and commercial enclosure series and accessories that meet the evolving needs of today's electrical applications.

We've also highlighted existing series where we have expanded our offering via new sizes, colors or materials.

Get The Technical Details

On the following pages, we outline the key features of our new product offerings. You will also see the part numbers and overall sizes.

For full technical specifications and CAD drawings we have provided a quick link to the details on our website.

Series Web Address

In each new product section, you will see a direct web address to get you to the full information, e.g.

hammfg.com/product/hjh

QR Code

If you have a smartphone with a QR reader, you can quickly scan the series QR image which will take you directly to the webpage, e.g.

Keeping Up To Date

As we continue to develop new products, your best resource for the most current information is our website – hammondmfg.com.

Next time you visit, be sure to click on our "New Electrical Products" section to see the next new Hammond enclosure solution.

If you would like to be included in our new product launch emails, be sure to send us your contact information to sales@hammfg.com and request "New Product News" in your note.

---

hammondmfg.com…Your comprehensive source for enclosures

Your "Go To" Web Resource

When you need to find the right enclosure, hammondmfg.com by Hammond Manufacturing is the absolute best place to start.

You can find thousands of enclosure solutions to suit your given application – mild steel, stainless steel, aluminum, non-metallic boxes in dozens of unique configurations.

Bookmark this great, time-saving resource today – hammondmfg.com.

Quick Search Saves Time!

The hammondmfg.com Quick Search feature is designed to get you to what you need ASAP.

Enter a dimension like 6x6x4 and you'll immediately get a comprehensive listing of enclosure options in that size or next closest alternative. Also works for metric queries – enter 150x150x100mm.

Quick Search acts as a cross reference too – simply enter a competitor part to see the Hammond equivalent. We're building this database constantly.

Advanced Search Narrows The List

For more precise queries, Advanced Part Search allows you to drill down your requirements to get exactly what you're after.

Your parameters include dimensions (imperial or metric), material type, critical features and approval rating.

Numerous Resources Offered

Once you get to the product you want, the specification support material available can be extremely helpful.

You will find numerous part drawing options – PDF, DXF and STEP files that can be immediately opened and downloaded – no cumbersome passwords sign up required.

Detailed product specification information (key features, construction, finish, accessory options) are also at your fingertips. A built-in PDF generator allows you to save or send these specifications hassle-free to your customer.

VISIT hammondmfg.com today – and see if you agree it's "the world's greatest enclosure website"!

Ground Stud Kit *DRDT Series*

Part Number
GRDT375

Scan the code or visit the following link for complete product details.

hammfg.com/product/drdt

Key Features:

- Ground Lug provides continuous ground through enclosure body
- O-ring seals securely within a precision groove outside dimension 0.875"
- Brass 3/8-16 thread both ends
- 1" threaded portion
- Mounting hardware included (requires drilling of .425" hole)

Accessories

Ground Wire Kits *GRDKIT Series*

Part Number	Description	Length
GRDKIT01	Includes (2) ground cables.	12"
GRDKIT02	Includes (6) ground cables.	16"
GRDKIT03	Includes (1) ground cable with #10 hardware only.	12"
GRDKIT04	Includes (4) ground cables with quick disconnecting terminals.	12"

Scan the code or visit the following link for complete product details.

hammfg.com/product/grdkit

Key Features:

- 12" or 16" long - 10 Gauge Copper Wire
- Terminated with crimped on terminals
- Terminal hole is 0.256" diameter
- Includes mounting hardware for both 1/4-20 or 10-32 ground studs
- Includes stick-on grounding symbols (two for each jumper)

Quality Products. Service Excellence.

Copper Busbar *GRDBAR Series*

Part Number	Length (mm)
GRDBAR600	400
GRDBAR800	600
GRDBARV14	1270
GRDBARV16	1473
GRDBARV18	1676
GRDBARV20	1880
GRDBARV22	2083

Scan the code or visit the following link for complete product details.

hammfg.com/product/grdbar

Key Features:

- Designed for vertical and horizontal mounting
- Grounding bar is made from heavy-gauge copper that attaches to the inside of an enclosure, cabinet or open frame rack to provide consolidated equipment grounds
- Ground points have been drilled and tapped to accommodate a #10-32 screw (included)
- Use with Ground Wire Kits to bond equipment to busbar

Hole Plugs *HPN4PC Series*
Polycarbonate

Quality Products. Service Excellence.

Canada: 519.822.2960 or 905.456.3770   USA: 716.630.7030   Data Subject to change without notice

Service Excellence.

Our difference is industry leading service you can trust.

We know there are many enclosure supplier alternatives, but it's our service that makes Hammond different.

We've committed our people and resources to ensuring you get exactly what you need, when you need it.

Hammond Distribution Center

What Service Excellence means for you:

In today's competitive business climate, the Hammond focus on service helps you where it counts most – on the bottom line.

- Superior fill rates means less inventory you need to keep on hand
- Quick, reliable delivery means fewer expedites and costly project delays
- Efficient phone support means less time waiting, more time doing what you do best

Quality Products.

- Hammond understands that inconsistent quality can cost you valuable time and money – that's why quality is a priority for us.

- When enclosures protect very valuable equipment or are a key component to an OEM's finished product, compromising on enclosure quality is not a valid option.

- Hammond products carry the industry recognized approvals and our facility is ISO9001:2008 Certified

- Our many years of experience developing and manufacturing enclosure solutions provides a confidence that Hammond will meet and exceed your quality expectations.
