

# L7789

Representative image shown.

**UPC Code:** 07847797489

**Country Of Origin:** Mexico

## Brand Features

Leviton Wire Mesh Safety Grips are built tough to provide the strength, reliability and gripping force required for today's demanding wire management applications. They are designed to distribute stress over a large area so they can securely hold, pull or support the wire, rope, tubing or fiber optic cable to which they are applied. Leviton Wire Mesh Safety Grips are flexible holding devices used to pull cable, rope, or tubing into place; to support it after it has been installed, to prevent cable pullout; or to provide strain-relief that reduces the arc of bend at points of wire connections or terminations. Available in a wide selection of style, weave, attachment and wire options designed to meet the highest standards for strength, flexibility, durability and longevity.

## Item Description

2 Inch, 90-Degree, Male, Aluminum Body, Deluxe Cord Sealing Strain-Relief, 1.625 - 1.750 Cord Range

## Technical Information

### Material Specifications

**Body Material:** Aluminum

**Grip Material:** Stainless Steel

**Color / Feature:** Aluminum

### Mechanical Specifications

**Fitting Type:** Deluxe Cord Sealing

**NPT Size:** 2

**Fitting Style:** 90-Degree

**Fitting Gender:** Male

**Weave:** Single/Double

**Cord Range:** 1.625 - 1.750

### Standards and Certifications

**Standards and Certifications:** UL/CSA

**Warranty:** 2-Year Limited

### Product Features

**Device Type:** Strain Relief Grip
