

THE FUTURE IS ON®

LEVITON

LEV Series Pin & Sleeve Devices

IEC 60309-1 & IEC 60309-2

30 Amp Plugs, Connectors,
Inlets & Receptacles

Designed to be more durable and easier to assemble for the most efficient installation and superior performance in any environment.

INDUSTRY
BEST

5 YEAR

WARRANTY

Private labeling capabilities allow for logo customization

No gap for debris to enter the wiring chamber

Tested to endure impact at the most extreme temperatures

Alternate screwless back clamp assembly option for faster assembly

Standard clamp design includes 2 combination screws

 Plugs & Connectors with Inform™ Technology offer visual power indication for safety

Receptacles and inlets come with **pre-attached gaskets and grounding wires for mounting ease**

Clearly marked contact carriers offer quick identification of each wire location

Multiple grommets with cord diameter ranges molded-in make it easier to select the correct fit and minimizes the risk of compromising a watertight seal

Captive terminal & assembly screws won't fall out during installation or servicing

LEV Series: North American Configurations

30 A Watertight | **Industrial**

LEV SERIES

Product Features

- Plugs and connectors constructed of impact modified nylon and receptacles and inlets made of PBT
- Plugs & connectors available with alternate screwless clamp or power indication with Inform technology
- Nickel-plated brass pins and sleeves for added corrosion-resistance
- Watertight and dust-tight rated to IP66, IP67, IP68 and IP69K
- Listed to UL 1682 and 1686, CSA and NOM-ANCE requirements, CE Marked
- NSF certified sanitary design trusted for use in food & beverage facilities
- Meets North American IEC 60309-1 and 60309-2 standards
- Backed by an industry best 5-year warranty

Custom configurations available upon request.

* Add "PI" to end of part number for Power Indication

** Change to "PIA" for Power Indication and Alternate Screwless Clamp

Standard
Clamp

Alternate
Screwless Clamp

Withstands any wet and harsh location with the highest and most comprehensive ratings on the market

IP66, IP67, IP68 & IP69K

IP68

Long-term Submersion

IP69K

High-pressure,
High-temperature
Washdown

Inform™ is a technology platform that enables Leviton products to provide real-time product data to the end-user. This data is used to improve safety, efficiency and productivity. Feature set varies by product and can include on-device, local monitoring and remote monitoring. Remote monitoring data is sent to the Inform app via Wi-Fi.

IMPROVE SAFETY & EFFICIENCY

by monitoring the power
quality and performance
of the devices

MINIMIZE UNPLANNED DOWNTIME

by alerting end-users of potential problems
with real-time information via line-of-sight
or app related notifications

MAXIMIZE PRODUCTIVITY

by contributing to overall
predictive maintenance
schemes
