

IPV0R-1LZ

Item Description

180 Degree PIR Wall Box Sensor Remote. 3-way or more remote for use with IPS15/IPV15 sensors. White assembled on the device, ivory and light almond color change kit included. Wallplate not included.

Features and Benefits

- Manual ON/Automatic OFF operation in accordance with California Title 24 2005 requirements when used with IPV15.
- Automatic ON/Automatic OFF operation when used with IPS15.
- Low-Profile design eliminates an obtrusive "scanning device" look. Elegant compliments any interior and coordinates with Leviton's popular line of Decora® wiring devices.
- 180 degree field-of-view provides approximately 900 square feet of coverage suitable for bathrooms, basements, garages, utility rooms and a variety of other residential areas
- Convenient push-button provides Manual ON/OFF light switching at any time.
- Segmented fresnel lens provides optimum sensitivity and performance. It is designed with an extensive "minor motion" area where even slight body movements will be detected.
- Four optional manual adjustments for delayed-OFF time settings maximize energy savings: 30 seconds, 10 minutes, 20 minutes and 30 minutes.
- LED Indicator Light flashes when sensor detects motion to verify detection is active.
- Requires a neutral (white) wire connection.
- UL Listed and CSA Certified, complies with California Title 24 2005 Energy Code and FCC regulations.
- Five-Year Limited warranty.

Color: **N/A** White, Ivory, Light Almond

UPC Code: 07847757076
