

DSKIT-G

Decora Slide Dimmer Color Change Kit with locator light, for use with DSL06 and DSM10 dimmers - Grey

The Decora Slide Color Change Kit is designed for an easy, cost effective way to change the color of the Decora Slide dimmers without having to install a new device. It's as easy as removing the current face and snapping on the new color. Available in white, ivory, light almond, gray, black, brown and red.
