Recessed Stainless-Steel QuickPort Telephone Wallplate

Leviton Stainless-Steel QuickPort Phone Wallplates are designed with rivets to support a variety of wall-mount telephones while offering field-configurable flexibility. Single-port opening accepts QuickPort snap-in connectors and adapters to support a variety of commercial and residential applications. The wallplates are available in flush or recessed versions.

Features and Benefits

- Compatible with any Leviton QuickPort connector
- Easily mounts any standard-size wallphone
- The recessed design fits cleanly with slide-rail mechanisms
- Brushed stainless steel
