

VELCRO® Brand Compression Strap

APPLICATION

VELCRO brand compression straps are used for low voltage multimedia cable and cord management. While other methods of cable support have the potential to kink or crimp, VELCRO brand compression straps offer a great way to safely organize and manage cables.

SPECIFICATION

Compression straps shall be 15" in length and will standardize on a 0.5" width. Shear strength shall be 23 PSI. Compression straps shall be packed in quantities of 25.

FEATURES

- Reusable solution for Moves, Adds, and Changes (MACs)
- Available in 15 inch lengths
- Adjustable to support a variety of loads
- Offers flexible and orderly cable/cord routing
- Available in Black, Blue, Yellow, and Orange

DESIGN CONSIDERATIONS

- VELCRO brand fasteners provide a dependable way to secure cable runs
- Slot helps secure fastening without over-tightening
- Holds up to 320 CAT 5e, 200 CAT 6, and 100 CAT 6A cables
- Strap locked area = 10 sq. inch
