

41080-2TL

Single-Gang QuickPort Wallplate for Large Connectors, 2-Port, Light Almond

Single-Gang QuickPort Wallplates for Large Connectors feature increased vertical spacing between ports to accommodate the added size of larger connectors, such as Leviton shielded connectors and certain A/V connectors. Single-Gang QuickPort Wallplates for Large Connectors are available in 2- or 4-port configurations and in three colors: white, ivory, and light almond.

Features and Benefits

- Fits within minimum rectangular NEMA openings
- Compatible with larger-sized connectors, such as Leviton Shielded Connectors
- Color-matched screws

UPC Code: 07847741126

Country Of Origin: Taiwan
