

Series 140, 280 and 420 Hinged Covers

APPLICATION

Used with Leviton's Structured Media™ enclosures (SMCs), the hinged covers open 180° and can be easily mounted for left- or right-side opening, providing easy access for frequent adds, moves and changes. For additional security, and to discourage tampering, Leviton also offers an optional lock and key set.

FEATURES & BENEFITS

- Opens 180° and mounts on right or left side for easy access in any space
- White powder-coated steel provides sleek appearance with durability and scratch-resistant surface
- Snap-in Leviton logo supports left- or right-side mounting
- Built-in precision hinge and integrated design conceal fasteners and hide drywall cuts
- Dynamic alternative to more conservative screw-on, flush mount covers
- Easy access for frequent adds, moves and changes

TYPICAL SPECIFICATION

The Series 140, 280 and 420 Hinged Covers shall be cULus and ACA listed and made of 18-gauge, white powder-coated steel. The hinged doors shall feature left- and right-side mounting capabilities on Leviton's 140, 280 and 420 Structured Media enclosures. The manufacturer shall provide a two-year limited product warranty. Product and performance warranties are extended to 20 years if installed as part of a Leviton Integrated Networks Certified System.

STANDARDS COMPLIANCE

Meets all applicable standards: cULus and ACA listed.
