# 47616-DSF

UPC Code: 07847720005

Country Of Origin: United States

* Eligible for ARRA funded projects

Made in USA

47616-DSF

Brand Features

The DSL Filter Board, designed to fit into any Leviton Structured Media enclosure, separates the DSL portion of an incoming telephone signal prior to distribution throughout the home, eliminating the need for a micro-filter system at each wallplate. Available as an expansion for Leviton's Pre-Configured Structured Cabling Panels, or as a stand-alone module on an ABS plastic bracket.

Item Description

DSL Filter Board
