### KORPLEX™ Technology

KORPLEX™ Technology is an engineered yarn that blends some of the strongest fibers to produce ultimate cut resistance. Its properties offer tactility and flexibility while maintaining exceptional cut resistance and extreme comfort.

All safety equipment should be selected in conjunction with an approved safety program that assesses your specific hazards. The selection and use of specific products sold by Majestic is exclusively within the control of, and remains the sole responsibility of the customer. Many variables beyond the control of Majestic affect the results obtained in applying these products. Inappropriate selection and/or use of safety products may cause serious injury.

Reliability in Safety.
