

PROTECTIVE INDUSTRIAL PRODUCTS

EMERGENCY RESPONDER PRODUCTS

BRINGING THE BEST OF THE WORLD TO YOU®

www.pipusa.com

In 2003, Protective Industrial Products, Inc. (PIP) acquired Alliance Fire & Rescue representing Pacific Helmets of New Zealand in North America. Today as a global provider of a vast array of consumable personal protective equipment to multiple industries and channels of distribution, we've consolidated most of our brands under the PIP banner. Alliance Fire & Rescue is now PIP Emergency Responder Products.

PIP offers the well-known Pacific Helmets lineup of protective headgear covering Rescue, USAR, Structural and Wildland channels. From Conventional style shells, to the Jetstyle streamlined models, these helmets are available and certified or compliant to major structural firefighting international safety standards.

Proprietary manufacturing process and innovative designs result in products which have created new dimensions in helmet safety. Pacific Helmets has an ongoing commitment to the development of new and innovative helmet products and an unwavering focus on safety, quality and comfort.

WHY DUPONT™ KEVLAR®? **DuPont™
Kevlar®**

Sheer Strength - the shell is virtually unbreakable as Dupont™ Kevlar® retains its integrity and will not tear.

Light Weight - matched against the equivalent woven fiberglass material, Dupont™ Kevlar® is up to 20% lighter.

R3 KIWI RESCUE SERIES

R3V4 KIWI USAR RESCUE HELMET

R3 KIWI SERIES FEATURES

- Composite resins offer higher temperature resistance (up to 500°F) without distorting or melting
- High-gloss paint finish available in a variety of colors including hi-vis and photo luminescent
- Shell has superior resistance to UV rays
- Shell weighs less than Thermoplastic equivalent models
- 3-point chin strap with quick-release buckle keeps helmet secure
- Polyurethane impact liner provides structural integrity and heat resistance, and features an adjustable mesh cradle with grain leather sweatband for comfort.

R3 KIWI USAR RESCUE HELMET

- 3-Point Nomex chin strap with Pacific SnapClip buckle
- Ratchet headband accommodates a variety of head sizes

R3 KIWI RESCUE HELMET

- 3-Point polyester chin strap with quick-release buckle keeps helmet secure
- Ratchet headband accommodates a variety of head sizes

R3T KIWI RESCUE HELMET

- Light holder (accommodates optional UK torch light with 4 AA batteries)
- 3-Point polyester chin strap with quick-release buckle keeps helmet secure
- Ratchet headband accommodates a variety of head sizes

COLOR GUIDE

Helmets are listed with available stock colors, but are also available in the custom color of your choice. If the color you require is not shown above please contact us with the relevant Pantone number of the color you require. Minimum order quantity for special color runs is 100 units.

The color range will vary from screen to screen, and therefore is intended as a guide only.

STOCK COLORS (Varies by style)

FIRE RESISTANT HOODS & GEAR BAGS

906-100NOM7

100% NOMEX® HOODS

- Excellent for flash protection and limited chemical splash protection
- Meets NFPA 1971 requirements
- Superior wear and durability
- Our most popular hoods
- TPP Rating 20 - 23

906-100NOM7	White Tri-Cut
906-100NOM7B	White Straight Cut
906-100NOM7BLKB	Black Straight Cut

906-2080NOL7

20% NOMEX® AND 80% LENZING FR®

- Fabric combination provides comfort and breathability
- Meets NFPA 1971 requirements
- TPP Rating 17 (white)
- TPP Rating 23 (black)

906-2080NOL7	White Tri-Cut
906-2080NOL7B	White Straight Cut
906-2080NOL7BLK	Black Tri-Cut
906-2080NOL7BLKB	Black Straight Cut

906-8416CBX

84% CARBON AND 16% TECHNORA®

- Carbon fiber is light weight and provides excellent fire resistance
- Technora® adds strength, durability, and helps hood retain its shape when laundered
- Meets NFPA 1971 requirements
- TPP Rating 28

906-8416CT	Black Tri-Cut
906-8416CBX	Black Straight Cut

GEAR BAGS

- "U-shaped" metal stays on the top of the bag help keep the bag open for quick and easy donning and doffing of turn out gear
- Extra-heavy tarp-style bottom with 5 raised cleats provide superior abrasion resistance to prolong bag life and help keep gear dry
- Adjustable contoured padded shoulder strap provides comfort and keeps bag in position when carried

903-GB651	Red No Wheels
903-GB652	Blue No Wheels
903-GB653	Red With Wheels

WARNING BEACONS

E-FLARE™ SAFETY & EMERGENCY BEACON

- **Intensely Bright:** Can be seen for over 1/2 mile away without the night vision, point fixation and distance judgement problems associated with strobe and incandescent lights.
- **Portable:** Unit is 8" tall and weighs only one pound, making it easy to carry or store anywhere.
- **Simple To Use:** Just twist the lens to turn on or off. Place unit(s) around to provide a highly visible warning and safety zone for people, work areas, hazards and accidents.
- **Durable:** Waterproof and dust proof, plus unit will survive a 3-foot drop onto a concrete surface.
- **Double the Safety:** Provides safety by ensuring maximum 360° visibility. Unlike pyrotechnic flares, there is no risk of fire or explosion, and there are no toxic fumes or residue.
- **Versatile:** Available in 1- or 2-color light combinations, flashing and/or steady-on, and built-in work light versions. Easily attaches to belts, clothing, vehicles, traffic cones or signs.
- **HAZMAT Accreditation:** e-Flare is designed for use in Class 1, Division 2 / Zone 2 hazardous areas.

291-100 One Pair

CLEAR FLAT CAP GEL KNEE PADS (shown on left)

- Air-injected gel pads for work on hard surfaces
- Clear PVC cap features slip-resistant ridges to prevent sliding
- Flat kneeling surface prevents rocking to minimize fatigue
- Adjustable hook & loop straps for a secure fit

291-130 One Pair

NON-MARRING KNEE PADS

- Extended rubber-like PVC cap won't mar, scratch or scuff surfaces
- Ergonomically designed to flex with knee movement
- Slip-resistant ridges prevent sliding on floors
- Adjustable hook & loop straps for a secure fit

291-110 One Pair

ERGO SUPPORTS

WRIST

WRIST SUPPORT

Reduces stress, strain and swelling & provides stability

- Stretchable elastic fabric
- Hook and loop closure
- Universal fit; Ambidextrous
- Machine wash cold, line dry

290-9010BLK Black, One Size
290-9010BGE Beige, One size

WRIST WRAP WITH THUMB LOOP

For stability & a secure fit

- Lightweight elastic
- Single wrap thumb loop holds support in place
- Hook and loop closure
- Universal fit; Ambidextrous
- Machine wash cold, line dry

290-9011BLK One Size

LIGHT NEOPRENE WRIST SUPPORT

Combines the effectiveness and soothing warmth of neoprene with the comfort and versatility of a wrap style support

- Neoprene body provides soothing warmth and light support
- Open palm design gives full dexterity to fingers and palm
- Punched thumb loop prevents support from migrating up arm
- Universal fit; Ambidextrous
- Latex free
- Machine wash cold, line dry

290-9015 One Size

WRIST SUPPORT WITH STAYS

Helps reduce the risk of wrist injuries by encouraging a neutral wrist position

- Vented neoprene with terry lining for long-wearing comfort
- Premium ribbed, non-metallic support stays on the top and bottom of the wrist
- 2" wide elastic strap helps stabilize the wrist
- Hook & loop closure
- Latex free
- Machine wash cold, line dry

290-9013S 5.375" - 6.125" (14-16cm)
