SPEAKMAN®

OPTIMUS EYE + FACEWASH

The Optimus Eye & Facewash combination is our most revolutionary emergency fixture to date. Featuring both a dedicated eyewash and a fully functional facewash – Optimus is the first to combine both components into one cohesive unit.

OPTIMUS FEATURES

- Soothing, dual aerated eyewash.
- Two, full-coverage face sprays.
- Corrosion-resistant construction.
- Intuitive, push-handle activation.
- Hands free operation once activated.
- 4.9 GPM at 30 psi.

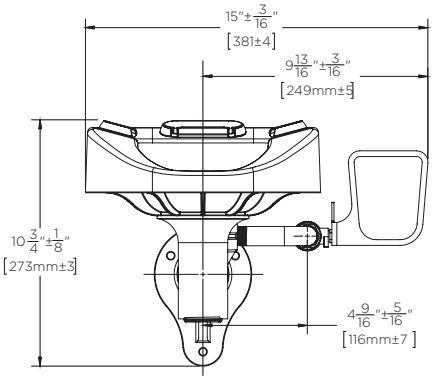

Optimus with OCV Dust Cover

DUST COVER FEATURES

- Perfectly retrofits any Optimus bowl.
- Provides complete protection of spray heads.
- Prevents dust and dirt from accumulating.
- Quick-release hinge functions when activated.

COMPLIANCE

- ANSI/ISEA Z358.1 Certified.
- Wheelchair accessible when installed properly.
