

VANITY TOPS

Rich and elegant, Swanstone vanity tops elevate the design of any space. Swan vanity tops compliment perfectly with Swan shower or bathtub walls - creating the perfect combination for your bathroom.

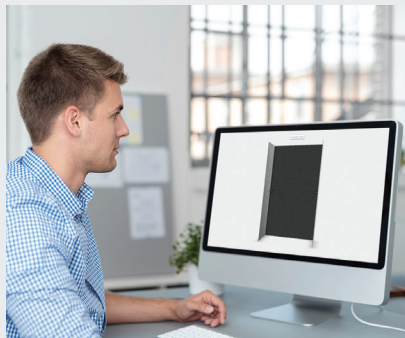

EXPERIENCE YOU CAN TRUST

Swan's proud lineage comes from decades of industry leading, USA based manufacturing of Solid Surface Kitchen & Bath Solutions.

A WIDE BREADTH OF PRODUCTS

Whatever your preference in style, color, budget, or materials, you'll find that Swan has the combination of products, experience & support you need to make your project an overwhelming success. Total solutions. That's our commitment. That's our promise.

OVER 55 YEARS OF EXPERIENCE

Since 1964, Swan has been a leader in creating innovative & affordable solid surfacing products. Decades later, Swanstone, a revolutionary & compression-molded solid surface material was introduced. The Swanstone line has since expanded to include kitchen sinks, countertops, bath & shower walls & more.

TOTAL SOLUTIONS, TOOLS & CUSTOMIZATION

Whether it is a custom commercial specification or a precise design aesthetic for your home, utilize the Swan custom vanities tools, & the Swan shower planner to create a look that is customized just for you.

SWANSTONE SOLID SURFACE

FEATURES & BENEFITS

ANTIMICROBIAL

Non-Porous, with no surface coating to scratch or wear away & a natural antimicrobial surface that will not breed bacteria.

DURABLE SOLID SURFACE

Reinforced solid surface means color & texture run all the way through and is repairable without a top layer to chip or crack.

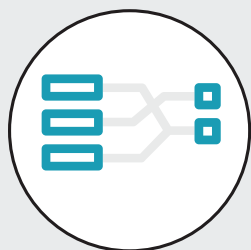

HEAT AND CHEMICAL RESISTANCE

Reinforced solid surface means color & texture run all the way through, resists heat up to and 450o and will withstands exposure to even the harshest of chemicals.

INDUSTRY LEADING WARRANTY

Swanstone products offer peace of mind with a limited lifetime warranty.

VERSATILE & STYLISH

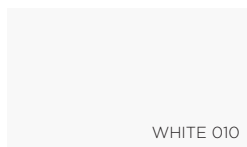

Coordinates with other Swanstone shower & bath systems & is the perfect compliment to tile. Featuring a time-saving molded in drain & available drain covers in finishes to accent any shower space.

SWANSTONE COLOR VARIANCE:

Swanstone products are molded and have unique qualities, these variations are what give Swanstone its unique and prized feature and should not be seen as flaws. Product coloring, shading, chip, swirl and concentration can vary from product to product due to the flow of material during the manufacturing process. Please contact Swan to learn more about the unique qualities of Swan's Swanstone color series and how it can add a beautiful accent to any space.
