Quality Weatherproof Electrical Equipment

Agriculture, Terminal Boxes

Product #: T1206

Short Description: TERMINAL BOX 60A 7X10 1PH

SPECIFICATIONS

Category	Terminal Boxes
Amps	60.0
Phase	1
Volts	120/240
AIC	10,000
Cabinet Size	7 X 10
Hub Provision	Yes
Standard Package	4
Wire Range	(4) 14-4
Stock Class Code	Stock
Certification	UL/CUL
Unit Weight	6.0
UPC	078456757470

Midwest Electric's Terminal Boxes are for use in converting from overhead to underground services and for multi-circuit wiring. The NEMA 3R enclosure provides protection for all terminations inside and provides a convenient, timesaving means of wire splices and connections. Midwest offers a full line of terminal boxes for 240-volt, single-phase and 600-volt, three-phase ratings. Typical applications, both indoors and outdoors, include inter-building wiring on farms, convenient splicing means for industrial use, and commercial construction.
