

ARAMAX[®]

Xtra Duty V-Belts

Belts that work as hard as you do.

Aramax[®] v-belts are specially designed for outdoor power equipment and aggressive applications with heavy shock loads. Aramax belts feature a brown smooth clutching cover and strong aramid cord. The high performance construction delivers more horsepower, less stretch and longer service life. Aramax Xtra Duty v-belts are optimized for demanding applications like mowers, snow throwers, tillers, shredders and splitters.

Premium rubber compound

- Provides longer belt life

Smooth clutching cover for shock loaded, backside-idler drives

- Superior clutching fabric
- Increased thread count
- Resistance to roll-over

Aramid tensile cords

- Reduced stretch
- Increased strength and durability
- Superior shock resistance

3L, A and B cross sections

Oil and heat resistant

Proudly made in the USA

TIMKEN

The Timken team applies their know-how to improve the reliability and performance of machinery in diverse markets worldwide. The company designs, makes and markets high-performance mechanical components, including bearings, gears, chain, belts, couplings and related mechanical power transmission products and services.

Stronger. By Design.
