

ENT Terminal Adapters

Threaded

Features

- Threaded male end
- Concrete-tight, requiring no solvent welding or tape around the connections
- Unique six locking tab design has a pull-out resistance of up to 175 lbs
- Approved for noncombustible 2 hr. & 4 hr. fire-rated floor/ceiling assemblies
- Impact resistant; rust proof

Applications

- Use to join tubing to ENT box or fitting
- For use with other ENT fittings that accept a male thread and locknut

Standard Material

- Impact resistant PVC
