Pitch Circumference DesignView™ Belt Information Sheet Belt Pitch Line Belt Tooth outside diameter diamete Created 23 Jun 2017 by Gates Created for **Poly Chain GT Carbon - 8MGT** ley Groove Gates Product Number **Customer Part Number** 9274-2224 8MGT-1792-36

The length shall be measured by placing the belts on two pulleys of equal diameters that have been grooved in accordance with standard specifications and rotated at least three complete turns with the specified tension so that each strand receives half the total tension. The length will be that length obtained by adding the Pitch Circumference of one pulley to twice the center distance (dimension 'Y').
