nVent CADDY Pyramid Crossover Support Tower – PCT40

- Additional support towers ideal for supporting long walkways at varying heights
- Interchangeable components are easily assembled yielding labor-saving and quick installations
- nVent CADDY Pyramid bases provide superior load distribution and roof membrane compatibility
- Foam bottom offers low abrasion interface for better roof membrane protection
- Aluminum construction designed to withstand harsh environments
- Walking surfaces with serrated tread provides maximum slip resistance and drainage
- Compliant with OSHA, Cal/OSHA and ANSI® standards

Part Number	PCT40
Material	Aluminum Polypropylene Polyethylene
Walkway Height	40"
Height (H)	60"
Width (W)	52.9"
Depth (D)	2"
Static Load (F)	500 lb
Standard Packaging Quantity	1 pc
UPC	78285684289

Walkway height represents the height of the walkway when a nVent CADDY Pyramid Crossover Bridge is attached to the support tower.
Clearance of walkway is 3" less than the walkway height.

ANSI is a registered trademark of American National Standards Institute.

WARNING
nVent products shall be installed and used only as indicated in nVent's product instruction sheets and training materials. Instruction sheets are available at www.erico.com and from your nVent customer service representative. Improper installation, misuse, misapplication or other failure to completely follow nVent 's instructions and warnings may cause product malfunction, property damage, serious bodily injury and death and/or void your warranty.
