## Certifications and compliances

### Area classification

Hazardous/Classified Locations

### Standards type

NEC/CEC

### NEC hazardous rating

Class I, Division 2

### NEMA Rating

4X

### Ingress protection (IP) ratings

IP66

## Product specifications

### Lamp type

LED

### Type

Single fixture, low intensity

### Wattage

1.5W

### Voltage rating

24-48 Vdc

### Entry size

Threaded 1" and 3/4" bottom hub

### Entry type

Bottom

### Material

Copper-free aluminum

### Globe material

Polycarbonate

### Lens material

Polycarbonate

### Lens color

Red

### Special features

Surge protection
